

CPDTA Summer 2023

CAPTAINS: PLEASE GIVE A COPY OF YOUR SCHEDULE TO YOUR PARK SUPERVISOR.

If a scheduling conflict occurs, please contact your Division Chairperson. Regularly scheduled matches must be held at the time listed in the "Match Time" column. Home teams may not change their start times without prior Board Approval. The winning captain is responsible for entering the score online by Monday Morning following the match. The opposing captain is responsible for verifying that the score is accurate online. The Division Chairperson should monitor the standings online for accuracy and expediency.

Please read the Rulebook thoroughly. Contact your Division Chairperson if you need help resolving an issue. If you need further support, contact the Tournament Director:

Erroll Davis <cpdta.edavis@gmail.com>

NOTE ON RAIN MAKEUPS:

If a match is rained out and there is a rain date available for both teams, then the match is rescheduled and lineups are NOT exchanged. If there is NOT a rain date available for both teams, then please exchange the lineups that were ready for the rained out match. In this case hit Activate Rain Mode in TennisPoint and then enter scores as matches are completed individually. Please see the rules for rain out procedures in the full Rulebook.
